***“All content in this portfolio already
curated by myself. Every masterpiece
inside contain love and endlessly hope.”***

Hello!

My name is Amadi. I am a creative designer with a background in **Computer Science** and over four years of experience as a freelance **graphic designer**. I specialize in **UX/UI, motion graphics, and video editing**, creating clear, modern visual solutions that strengthen brand identity and improve digital experiences. I work well in fast-paced environments and enjoy turning ideas into polished, effective designs...

Education

2022 - 2025
International University Of East Africa (IUEA)
Bachelor of Science in Computer Science.

INVITATION OFFICIELLE GRAND OPENING

C'est avec une grande joie et beaucoup de fierté que nous vous invitons à l'inauguration officielle de African Black Studio, un nouvel espace dédié à la création musicale, à l'innovation et à la répression artistique.

Cet événement marquera le début d'une nouvelle aventure où talent, créativité et passion se rencontreront. Au programme: découverte du studio, échanges, ambiance conviviale et célébration de cette nouvelle étape avec vous.

Votre présence sera un grand honneur pour nous. Venez découvrir, partager et célébrer cette nouvelle aventure musicale avec nous!

GasGo

About: GasGo is a smart LPG gas delivery app designed to make ordering cooking gas quick, simple, and reliable. With GasGo, customers can order LPG cylinders in just a few taps and have them delivered directly to their doorstep by trusted local suppliers.

The app offers real-time order tracking, transparent pricing, and flexible delivery scheduling, giving users full control over their gas supply. GasGo eliminates the hassle of visiting refill stations and ensures households and businesses never run out of gas when they need it most.

GasGo Mobile App

About: GasGo is a smart LPG gas delivery app designed to make ordering cooking gas quick, simple, and reliable. With GasGo, customers can order LPG cylinders in just a few taps and have them delivered directly to their doorstep by trusted local suppliers.

The app offers real-time order tracking, transparent pricing, and flexible delivery scheduling, giving users full control over their gas supply. GasGo eliminates the hassle of visiting refill stations and ensures households and businesses never run out of gas when they need it most.

Key Features:

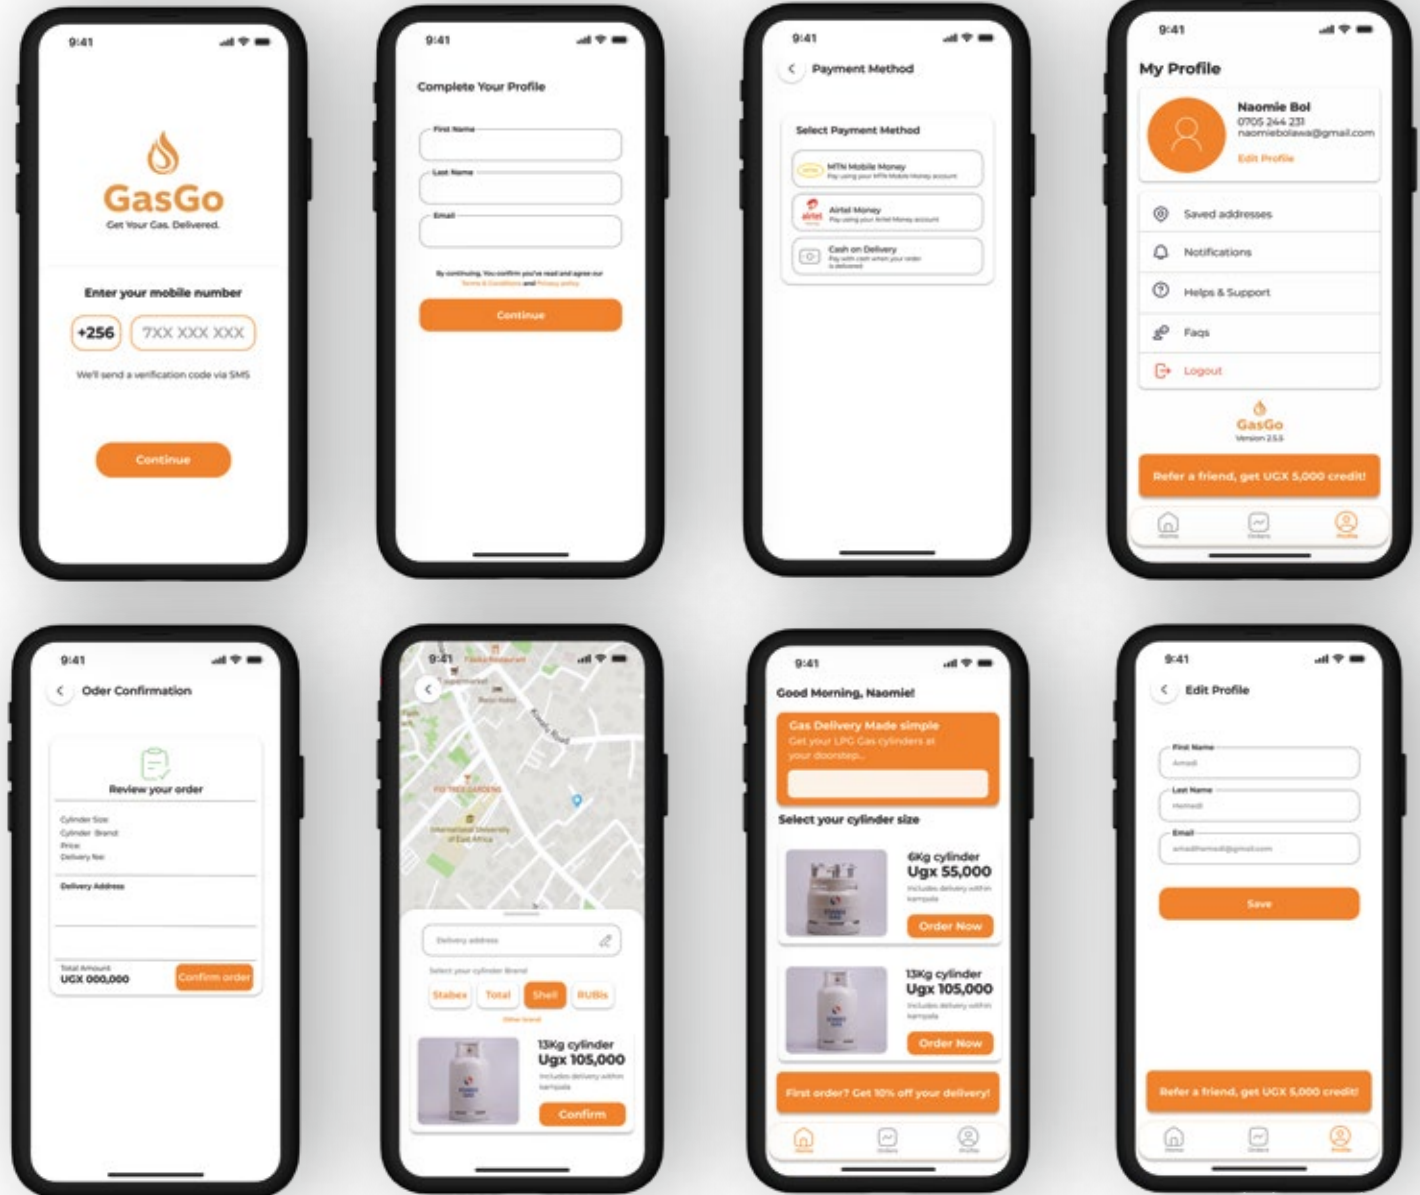

- Easy Ordering – Order LPG cylinders in a few taps directly from the app.
- Real-Time Tracking – Track your gas delivery live from dispatch to your doorstep.
- Fast Home Delivery – Quick and reliable delivery from nearby gas suppliers.
- Flexible Scheduling – Choose the delivery time that fits your schedule.
- Secure Payments – Pay safely through multiple payment options.
- Order History – View and manage your previous gas orders anytime.
- Notifications & Alerts – Get updates on order status and delivery progress.
- Trusted Suppliers – Connect with verified LPG providers for safe delivery.
